

British Values

Keeping you safe during your apprenticeship

All Firebrand learners should be respected and be able to enjoy the liberties and entitlements that a democratic society provides.

To fulfil our commitment to the Prevent Agenda, we've responded to the additional safeguarding requirements. We embed all recommended practices to the teaching and learning of all programme beneficiaries, including partners and employees. Below are the British values which we are dedicated to exemplifying and are encouraging throughout your programme:

Democracy

You have the right to live in a society where you can vote, and have a say on how things are done.

Individual Liberty

You have the right to live and speak freely

Rule Of The Law

You have the right to live in a law abiding society, where the law protects its citizens.
You are innocent until proven guilty.

Mutual respect for, and tolerance of those with different faiths and beliefs and for those without faith

You have the right to be respected and tolerated regardless of your background, culture, gender, age, sexuality, religion or belief.

Want to talk to someone?

If you're finding life during training or at home difficult, you don't feel safe or you have a concern about someone else, please contact our Safeguarding team:
